From 18 to 24 years of age →	530.-

Additional expenses for optional activities, private tuition, school supplies and a contribution to medical expenses will be invoiced at the end of each term and must be paid before the start of the next term. Please note that discounts are not given if the pupil does not participate in the activities included in the package. It is recommended that students bring their own sporting equipment (tennis racket, ski gear, etc.) to avoid hire costs. Students are responsible for their keys which will be invoiced if lost.

Pick-up Service: if the pupil so requests, the school will organise a pick-up service from Geneva airport to the school. Cost of the service: 270.- one way.

Re-enrolment: the re-enrolment form must be returned signed promptly in order to ensure availability of the accommodation. Payment of the invoice finalises the reservation. If the re-enrolment is cancelled, it must be notified by registered letter to the Management.

Accommodation in the boarding house is paid in advance per half-year. The refundable deposit must, at the latest, be paid with the first instalment before the pupil's arrival.

Deposit refund: deposits are refunded once the student has moved out, within three months after his or her departure, provided that all outstanding amounts have been paid.
